WEB QUOTING ANNOUNCEMENT

*Effective 8/12/02 you can access an estimated premium quotation from the Ohio FAIR Plan's website, www.ohiofairplan.com. Web quoting is available only for **Homeowners and Dwelling Fire** business. You will undoubtedly find this to be a real time saver if you have called in the past for an estimated premium quotation for your clients who need OFP coverage.*

We believe you will find this function to be an easy and user-friendly tool and a time saver by avoiding holding for a Policy Services Representative at the FAIR Plan to get the needed information.

Once you've used this tool, please let us know if you have suggestions about how we might change this capability to improve it. We are constantly trying to improve our operations and capabilities to accommodate the FAIR Plan user, and that necessitates your advising us of your observations and constructive criticism.
