New Condo and Renters Coverage Options

The Ohio FAIR Plan (OFP) is pleased to announce the availability of Condo coverage and Renters coverage via the HO 00 06 and HO 00 04 coverage forms.

OFP has historically provided a limited version of Condo and Renters coverage under its Dwelling Fire program. Using the HO 00 06 and HO 00 04 forms will allow for coverage that more closely matches that which is available in the standard market.

Please see the Coverages section of our website for specific information about the perils covered and underwriting criteria.
