

SECTION I – EXCLUSIONS

We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

1. Ordinance Or Law

Ordinance Or Law means any ordinance or law:

- a. Requiring or regulating the construction, demolition, remodeling, renovation or repair of property, including removal of any resulting debris;
- b. The requirements of which result in a loss in value to property; or
- c. Requiring any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

This Exclusion 1. applies whether or not the property has been physically damaged.

2. Earth Movement

Earth Movement means:

- a. Earthquake, including land shock waves or tremors before, during or after a volcanic eruption;
- b. Landslide, mudslide or mudflow;
- c. Subsidence or sinkhole; or
- d. Any other earth movement including earth sinking, rising or shifting;

caused by or resulting from human or animal forces or any act of nature unless direct loss by fire or explosion ensues and then we will pay only for the ensuing loss.

This Exclusion 2. does not apply to loss by theft.

3. Water Damage

Water Damage means:

- a. Flood, surface water, waves, tidal water, overflow of a body of water, or spray from any of these, whether or not driven by wind;
- b. Water or water-borne material which backs up through sewers or drains or which overflows or is discharged from a sump, sump pump or related equipment; or

c. Water or water-borne material below the surface of the ground, including water which exerts pressure on or seeps or leaks through a building, sidewalk, driveway, foundation, swimming pool or other structure;

caused by or resulting from human or animal forces or any act of nature.

Direct loss by fire, explosion or theft resulting from water damage is covered.

4. Power Failure

Power Failure means the failure of power or other utility service if the failure takes place off the "residence premises". But if the failure results in a loss, from a Peril Insured Against on the "residence premises", we will pay for the loss caused by that peril.

5. Neglect

Neglect means neglect of an "insured" to use all reasonable means to save and preserve property at and after the time of a loss.

6. War

War includes the following and any consequence of any of the following:

- a. Undeclared war, civil war, insurrection, rebellion or revolution;
- b. Warlike act by a military force or military personnel; or
- c. Destruction, seizure or use for a military purpose.

Discharge of a nuclear weapon will be deemed a warlike act even if accidental.

7. Nuclear Hazard

This Exclusion 7. pertains to Nuclear Hazard to the extent set forth in M. Nuclear Hazard Clause under Section I – Conditions.

8. Intentional Loss

Intentional Loss means any loss arising out of any act an "insured" commits or conspires to commit with the intent to cause a loss.

In the event of such loss, no "insured" is entitled to coverage, even "insureds" who did not commit or conspire to commit the act causing the loss.

9. Governmental Action

Governmental Action means the destruction, confiscation or seizure of property described in Coverage A, B or C by order of any governmental or public authority.

This exclusion does not apply to such acts ordered by any governmental or public authority that are taken at the time of a fire to prevent its spread, if the loss caused by fire would be covered under this policy.
